**DEFENDANTS' SUPPLEMENTAL CASE
MANAGEMENT CONFERENCE
STATEMENT**

Date: September 10, 2014
Time: 2:00 pm
Courtroom: 8, 4th Floor
Judge: The Honorable Lucy H. Koh

Defendants Adobe Systems, Incorporated, Apple Inc., Google Inc., and Intel Corporation submit this supplemental case management conference statement in advance of the September 10, 2014, Case Management Conference to advise the Court of the following developments since the September 3 case management conference statement was filed:

On September 4, 2014, Defendants filed a Petition for Writ of Mandamus with the United States Court of Appeals for the Ninth Circuit, seeking a writ of mandamus directing the Court (1) to vacate its order denying preliminary approval of the \$324.5 million settlement and (2) to enter an order granting preliminary approval.

Defendants respectfully request that the Court wait to resolve outstanding motions until the Court of Appeals has rendered a decision on the petition. Defendants do not believe that the pendency of the petition should affect the pretrial or trial dates in this case proposed by the Court in its Order of September 4, 2014 (and pursuant to that Order, the parties will file a joint statement on September 8, 2014 addressing the proposed trial schedule). Defendants understand that Plaintiffs oppose this request.

Respectfully submitted,

Dated: September 4, 2014
